“ Me and Junebug was crazy kids together. We played in the mud slides, damming the creek up so that the neighbor down the road told daddy his animals had no water. Creeks, Ridges and Grapevines tore all the cat tails we could find to play on there feathers we called them as kid. Us kids all had a wonderful life If they was ever a good ole boy and a red neck it was Junebug. Good hearted and kind to everyone. I love Junebug I hope god wrapped you in his armed and took you home. I hope you always fly with the angels. We all will be there with you one day so save the best place for me and tell everybody we love them. Stay crazy stay a Red neck and see ya soon.
