“ I remember Pam as a very young girl at Bush High School. Being 4 years younger than me, I had already graduated from Laurel County High by the time she started there. So my memories of her revolve around her being at Bush only. A couple years ago, I became FB friends with her through our love of Democratic Politics. She was a person whose political philosophy was based upon her sincere caring and love for her fellow human beings. Fly high, dear one!! 😊😊😊

“ I just heard about Pam and can't believe it! I am sending my prayers and thoughts to Alicia and her family. I will cherish my memories with Pam at the bluegrass festivals, seafood gumbo at her house, and quad riding (which she hated but went with me anyway and swore not to go again). To much dust and mud she said. We had many adventures together. I met Pam when she was the cheer leading coach for my daughter in Kindergarden/1st grade and have enjoyed our friendship ever since. I will miss her smile and wit very much. I wish I could be there to pay my respects.

“ As a young child I always looked forward to going to Kentucky and spending time with Pam and her family. As I got older the visits with Pam were very memorable. I looked forward to seeing Pam every time she came to Michigan. She always made sure when she came she would visit with us. My heart breaks for her family but I know she is with some very amazing angels in Heaven. May she rest in Paradise. We will miss her dearly.
