“ I can't imagine my heart healing from her leaving, but know God is with us. We were a family of 5 siblings...WOW did we fight and annoy each other...but loved. Sue, Sandy, and I were close in age and affection. The day before Christmas this year I was in my kitchen cooking and as always my kitchen was a mess!!! ...flour everywhere, cabinets open, & etc. I thought that I needed to send Sue a picture (she was a non-messy cook) then I remembered where she is...how many times will this happen?? Sad & happy thoughts.
