“ We know she is in a better place, but it doesn't make your loss any easier. We will miss her smiles and hugs, but most of all I know all her children will miss hearing " Love you and be careful", I know she would tell me that and I wasn't even her child. Stay strong for each other and keep her forever in your hearts. Love you all.

“ *My heart hurts for you all, and I know nothing I can say will help your pain but I Pray that God will give you strength and peace to help in the days to come and knowing she's In Heaven with no more pain, she has seen my daddy "Brub" and Nannie up there. Your wife, mom, and mammie was a beautiful person, inside and out, I will always remember her kindness and when I was little just thinking she was the most beautiful lady... ~Lisa Rains Queen*

“ I am so sorry you lost her. I remember the trip we took to Boca Raton Florida in 1987 for Spring Break. That was one of the greatest trips I had. We laughed more that week than I had in years. Thank you Pat.

“ I don't know if Roger remembers this, but when I would go stay a mama elams house they would come over and Patty would bring her 45 record player, and she loved Elvis and beattle, we'll we would go into uncle cuts room and play that thing as loud as we could and jump on the bed, but of course uncle Vernon, or aunt faye would yell at us, well Patty always blamed me. I never knew why until they came and visited not to long before my mom passed and we started talking about it. I asked her why did you do that, she laughed and said, my mom or dad wouldn't whip you or ground you so you were my way out of trouble. We laughed so hard and hugged. We may not seen or talked much until fb but I still love you cuz, and I still will get even one day when we meet again.???

“ My heart goes out to the whole family. I've lost a mother & brother, and it is very hard, and nothing anyone can say at this time to make the heartache easier or go away. So all I will say is so so sorry for your loss, and she was loved.
