“ *I am so sorry to hear about Paul passing away. My twin brother David and I were born June 11, 1960 and Paul was born June 14 of 1960. My mother and Jackie were in the same room together and got to know each other during their time in the hospital. We then met Paul on our first day of school and Jackie and my mom Christine Davis were reunited once again. I remember us all standing together outside London elementary talking before we went in. Paul and David and I were talking about if they were going to be giving us shots or not. The three of us were all very scared. I was so fortunateto grow up and always have Paul as my classmate. He was the sweetest man and I thought the world of him. So from the family of Robert and Christine Davis, our condolences go out to the Carson family. Rest in peace, Paul I hope to see you again one day.*
