“ I have many wonderful memories with my mamaw. But the most important ones of all are us going to church and worshipping the Lord together! She had an amazing voice! You would definitely fall in love with her harmony! I would give anything to hear her sing to me now.. When you're young and when you have them here you take advantage of those things.. I love you mamaw. & you are greatly missed.. Your one and only granddaughter Morgan Blake.. ❤️

“ I sure hated to hear of Paulette's passing but earth's loss is Heaven's gain. She will be missed but not forgotten. I remember her for her singing in church, her testimonies, and how she stood up for God and her beliefs in Him. I know her hearts desire was to see her children and lost loved ones and friends saved and she can still see them saved if to God they will turn cause I truly believe that if saved one day they will be able to dance on the streets of Heaven and sing with Paulette once again. Amen.

“ Paulette was a woman who meant the world to me. She was a wonderful aunt. I remember when I was younger her and her guitar were hand in hand loved hearing, her sing. I spent alot of summers as a child out at Aunt Paulette's. I even remember one time I was out there David and I were the only two up we decided to go bike riding decided to ride double with David not a good idea. My foot caught in the spokes Paulette had to rush me to the hospital but was calm the whole time. She was like a second mom to me. I'll miss her more than you know.
