“ *She was my mother and my best friend. I could never wait to pick up the phone to call her about things in my life that had happened or just to call her to cheer me up when I was down. She always put a smile on my face even in the worst of days. She was a wonderful mother and I always looked up to her. I wanted to be selfish and keep her here with me but I couldn't see her living life as she would have had to. I don't know how I am going to be able to live my life without being able to hear her sweet voice or seeing her beautiful smile. I just know she is with the lord now and doesn't have to feel any more pain or suffering or worrying. She will always be in my heart and my thoughts. I will never forget the greatest woman who has ever lived..... my mother. R.I.P. my beautiful angel in heaven.*
