“ Peggy and I grew up together. She was our next door neighbor. We made a mailbox in the dirt between our homes and we left messages to each other. We had a lot of fun, we ran around with each other in high school too. I have a lot of memories of her. Funny, last week I tried to find her on facebook, I tried several other times to, but I didn't know her married name. I'm sorry for your lost. I met Christy and the boys, but they were really young. I knew one of the boys had joined the service and Christy got married. But that was the last time I had seen Peggy. Peggy was very talented. Sung, played piano, accordion, etc. I remember both Willard and Noah too. May they join each other in Heaven. Sincerely, Light and Love, Fauntella

“ I will Always remember the kindness & strength Peggy showed to me & my Dad, at Laurel Heights, when she helped my Dad into a wheelchair & we pushed him around to all the table's, where a young was preaching...We stopped at each table & every person reached out to touch my Dad's hand. My Dad worked there...He crossed_over a day later,,, Peggy was a beautiful Soul !!

“ *I remember Peggy from high school, but my best memories of her are how sweet she was to my mom when Mom was in Laurel Heights. One special memory was when I had sent Mom a ticket to fly to see me in Oklahoma. She needed to get a photo ID to fly. Peggy not only took care of all the details, she had Mom's hair fixed and put make up on her so she would feel good about the way she looked in the picture. Mom was just tickled with the result and we had a great visit. Peggy will surely be missed. May God be with you in your loss..*
