“ *I will miss Gail very much. We worked together a few years ago. I will always remember learning how to drive a 5 speed from her asking me to move her car to a closer parking spot at work. She gave me basic instructions on how to drive and I learned how the first time. She was also there for me during a sad time in my life and helped me through it. I will be forever grateful for her friendship and the love she shared with those around her. I will keep her family in my thoughts and hope that they find comfort through their loss.*

“ *When I was just a small child, I remember that all of us from Gail, me, Chris, Amos, and Nick, dug a 'Swimming Hole' out in the creek in front of their family home. Aunt liddy came out furious telling us we were damn fools because of snakes and to remove ourselves from that creek at once. That was always a fond memory because for a briefest of time we had a blast splashing around in the water. That was a fond memory of Gail, as I grew up in ohio not getting a chance to know my cousin, but I do know she loved horses and her kids very much. Its sad to think about her passing and I offer her family my condolences.*
