Regina you were such a beautiful person and loved everyone you met. You had such a beautiful heart that could outshine the sun. I never knew every day that you weren't laughing or smiling. I will always treasure all the fun times that we had and spent together going places we're just hanging out at home. I'm going to miss the beautiful Christian always eager to learn more about Jesus and reading the Bible. I always love to hear you testify how Jesus Changed your life. I am going to miss our daily video chats that would last for hours or phone calls they are Night.

Thank you for always making me feel special and always making me feel loved. You're the Best friend anyone could ever have but I was blessed to have you as my cousin. You and I ended up with the curliest hair never knowing what to do with it. I just wish we would've had longer to spend together. I was so looking forward to coming to Kentucky to spend time with you and for you to come to North Carolina to visit with me. I am heartbroken, I am crushed. You were going to be missed more than you were ever know. You're near me will live forever in my heart and I know there will not be one day that goes by that I do not think of you I miss your laughter your smile and our Bible discussions. This earth lost a beautiful angel but Haven gained one and we will meet again by the river of life. Thank you for loving me because I loved you with all my heart and I always will. Your best friend and cousin, Charlene Helton Youdell 🌹❤️🌹❤️🌹❤️🌹❤️🌹❤️🌹

“Gina was the most beautiful I have ever known. She was regretful, lonely, and I loved her and never let her wonder if my love for her was true and unconditional. In spite of her mistakes and the personal pain she endured, she remained in the word of the Lord and a smile of truth on her face. I will miss her extremely and in knowing she is lonely no more, I will smile. May you rest in peace, my loving friend, Gina.

“ I remember when we were little girls having a party in the basement of aunt Mary and uncle Eugene making up dances to the song fame. I don't remember how old we were but it was fun. I wonder if uncle Eugene remembers us girls showing them the dance.
