“ I thought so much of Rita! I got to know her well since she was my mother's next door neighbor at Laurel Village for many years. She was just lovely, and we shared many parties and happenings! Rita was very complimentary and was concerned that I was getting quite a big of gray in my hair. She and Mother always wanted it to be colored.

When I had some darker streaks put back in my hair it made Rita and my mother very happy. Both wanted me to look at good as I could be. They were quite cute. I enjoyed Rita's humor and wit and kindness. I also enjoyed Rita's stories about England and about the Royalty. She had a very interesting prospective about it all. Rita was one special lady! I think of her often!

“ Ali, your mother will always remain in my memory for all the good times we had on our trips. How fortunate you were to have her for so many years. Praying for God to bring you peace and comfort.
