“ *Mr. Beckner , Bob, was the most kind and considerate person I ever had the pleasure of knowing and working with. He also pushed on to work on days he was not able to do so!! I never saw him mad or upset and he was always concerned for others. I know he has impacted many lives and his influence will live on. My sympathy and prayers to his family! I thought his visitation was Saturday night and just found out differently. I am sorry I did not get to pay my respects. I considered him a true friend and a fine man that I never heard say a bad word about anyone!! Prayers for all his family and friends..*
