“ So sorry to hear of Russ' passing. He gave me my first job at the Chevron station when I was a kid. Got me into an automotive career. He was a wonderful, fun loving man that never met a stranger. Prayers for Ruby and the entire family.

“ Sending our sincere condolences to your beautiful family, May your loving husband, father, brother, and friend rest in peace. Although we were not fortunate to have met Russell, we have had the pleasure of spending time getting to know Tricia and Mike and consider them as our family from Kentucky. He raised such a great daughter that I'm sure she was just like him in many ways. We pray for peace and comfort during this difficult time and ask God to guide each of you to find strength and reassurance that your loved one is safe at Home.
