“ I'll never be able to play Rummikub without thinking of her. I cherish the times we've played together, and she made sure you placed the runs on one side and the sets on the other; if not you better believe she made you fix it...lol. Mom Bargo was always so kind to me and I am blessed to be part of her family by marriage. She was a strong woman of faith who loved life and touched so many through her years here on earth. Hugs to Heaven Mom until we're reunited.

“ *Sandy was such a faithful friend to our family. I remember playing music with her at church for many years. She would be on the piano and I on the organ. I also remember the many beautiful counted cross stitch pictures she made. They were so intricate. She put a lot of thought, care, and time into them. That was just how she was. Consistent, concerned about the details, disciplined, and ready to help in whatever way she could. She was an inspiration to many of us. She could take what life gave and do something positive with it. I know she was a very positive influence in my life.*

*Sandy - We will miss you and that funny laugh you had. I can hear it now. It was uniquely hers.*

“ *Sandi was my 2nd mom. She was such a precious soul and so good to me.*

*I spent many Sunday afternoons at the Bargo house and was always fed many yummy meals.*

*As a young teenager, Melanie showed me a picture of Sandi in her Air Force uniform. It's the 1st time I was exposed to a woman in a military uniform. Fast forward many years, I joined the Air Force. Not too long ago, I got to thank Sandi and share with her that she was the one who planted the seed that led to my 20 years in the Air Force.*

*I love you Sandi. You will be missed.*
