“ I first came to know Shaun during an extended time that I was a customer of Another Critter Gone. Shaun was especially thoughtful and kind, and had a good sense of humor. It was evident that he enjoyed and took pride in his work. I later learned of his commendable volunteer efforts with the homeless. Through Shaun my wife and I donated items of clothing that he had suggested were most needed. Whenever I required the services of Another Critter Gone I alway insisted that Shaun was the person who I was assigned. He was a great guy, and I am deeply saddened to learn today of his death. My most sincere condolences to his family. NQ

“ The memory I will carry with me forever about Shaun is his love. No matter where I saw him, at church or out somewhere. He had a huge for me. I remember one time at church I was feeling one of my low times. I was missing my husband very much. Him not knowing this came up to me and gave me the biggest hug. Looked at me and said, I love you momma Loretta. He was one of my extra children that God gave me to love. Thank you for allowing me to love you as one of my own. I will forever miss you.
