“ Mike and Sandy, my heart aches for you in these hours of grief! Stella is in some of my earliest memories as a young child. It was such a pleasure to work with her in my education career as an adult. Stella adored you both! Sending my love and condolences to you and your family! You know my mom and dad were great friends with Stella and Herb. On behalf of my dad, I offer his condolences too as he is very sick now. Hugs and love to you all!
