“ Dear James, Kim and Family:

*A great sadness swept over me when I learned of Stella's passing. She was such a lovely lady, so filled with life and love for her family, and always rose to the task of making sure they were safe and out of harms way. She could drive a truck, milk a cow, was a seamstress extraordinaire, and whip up a fantastic and sumptuous meal at the drop of a hat.*

*I have the pleasure of knowing both Stella and James for many years and we shared a horrific tragedy to each of our families in 1969 with the loss of their son Jimmie and his first cousin; my son Mark Saylor.*

*I like to remember the good times we had when both James and I were serving in the US Army in Germany and Stella and sister Joyce were able to visit in this far away place. And, over the years we saw each other when time and place permitted. James would have me tag along with him in the assistant driver's seat of the tractor trailer that he owned and operated which was always a big treat, especially when he let me drive.*

*Stella will be deeply and sadly missed by us all, but long remembered by family and friends alike. However, life is for the living and we should live every day to the fullest.*

*James and Kim as I end my short eulogy at the great loss of your dear wife and mother, "Stella"; I send my best to you and to each member of your family and you all will forever be family to me. May she rest in Peace.*

*Sincerely,*

*Don Saylor*
