“ *Ann, Ronnie, Lisa and the rest of the family, I'm sorry to hear of your loss. Steve was a hardworking man whether it be farming both dairy and all other aspects of farming. He used to also deliver supplies to my parents dairy farm and go to cattle shows with Ronnie and Lisa. He above all, loved and cared about his family which is what a real man does. RIP Steve you'll be greatly missed.*

“ Ann, Ronnie, Lisa and the rest of the family, I'm so very sorry to hear of your loss. Steve was a great farmer, he delivered supplies to my parent's dairy farm but, most of all, he was a family man above all. He put his family above everything (which is what a real man does). RIP Steve.

“ Sending our condolences and prayers to the family. What a neighbor! We have lived as neighbors for over 30 years and he was one of the best. Mr Patton always shared his garden stuff that he grew. I loved being around him and hearing him talk. He was a pleasant guy that if you knew him you loved him. We will miss him greatly. Rest in peace my friend.

“ Junior, as my husband and I knew him, entrusted his farm and dairy to us when we were very young. We milked every other weekend to give him and Anne a break. He took us under his wing and treated us like a father. Those were some of the best memories of our younger years. Forever grateful to them. So sorry he is no longer with us. Love you both Junior and Anne.
