

Steve Provence

August 28, 1966 - August 6, 2024

Steve Provence, a devoted husband, beloved friend, and passionate car enthusiast, passed away on August 6th at the age of 58. He was the proud owner of Provence Auto Sales, a successful car dealership that he operated for over 30 years. His love for trading and restoring antique cars, as well as his exceptional skills in bodywork and painting, made him a respected figure in the community.

For over 35 years, Steve shared a beautiful and unbreakable bond with his wife, Melissa Provence, together, they navigated life's challenges with humor and resilience, often playfully teasing each other while extending their care and kindness to everyone around them. They were not only husband and wife, they were best friends for most their lives. Their love and partnership were an inspiration to all who knew them.

Steve was more than just a businessman; he was a man with a deep love for people and animals alike. His car lot was a gathering place where friends would visit daily, sharing in laughter and camaraderie. His affection for animals was evident in the way he cared for them, making them a cherished part of his life.

He leaves behind his loving wife, Melissa Sizemore Provence; his mother, Carol Provence; three siblings, Charlie Provence, Linda Kindle, Tracy Pierceall; plus a host of other family and friends to mourn his passing.

He was preceded in death by his father, Charles Provence.

He leaves behind a legacy of love, friendship, and dedication that will be remembered by his wife, his many friends, and the entire community he served so faithfully. His memory will live on in the lives he touched and the antique cars he restored with such passion.

A Celebration of Life will be held at a later date.
