“ *I am so so sorry for your loss. Sue was my next door neighbor in Honesdale. She was a great person and will be missed, a lot!*

I pray the she rests in peace.

I remember one Easter she made her meat and cheese pies and bought one over so my sister and her husband (who was from Sicily) could taste it....that is how she was...I will always remember the many evenings we had going to her house for dinner. The funniest memory I have is when your mom saw the bear on the front porch and started yelling. She was a really good person.
