“ when people say she was o e of a kind it was never so true than about her. She shined so far above the others that she put a shadow on all the rest . I know I'm a little prejudice but I promised her mother I would look out for her . I feel like I failed her because so many times she has brought me up from any circumstance that I might have been in . She was one of the most down to earth (that's the way it is boys attitude) than anybody you will ever meet. I am sure I'm not the only one that will count the days till we get to meet again . I love you Susie Q your Aunt Linda

“ Always with a smile on her face and that laugh of hers was beyond contagious. Despite how things might turn out she always started everything with the best of intentions and a heart of gold. She loved the babies, all the babies. But none more than her own. She is missed and Will be for always! Rest in peace my friend, feel no more pain. I love you Suzanne.
