“ *Tammy was a special person. she had many ups and downs in this life but she would give you the shirt off of her back. Though her life here on earth was difficult she truly loved with all her heart. We had good times and we had bad but the good times out weighed the bad for sure. I will miss her but I know that her life is just beginning! She is home with her mom, brother, and many loved ones that went ahead of her but most of all she is home with The Lord! RIP Tammy till we meet again!*
