“ I met Tammy through her bestie, Tonya Poindexter. So she was a "new" friend to me, but she was a gem! We shared a special night of music with Tonya's daughter, Presley, and it was a time in my life when I had just suffered a tragedy and death of my husband. These girls got me out and helped me enjoy a beautiful night You were a special lady and will certainly be missed. Until we meet again. .

“ I remember Tammy being the big sister to Jerry and all of his friends. She was always looking out for us and telling us to behave or giving us advice on life. I will miss her comments on my posts and her still voice of wisdom. God speed Tammy. Until we meet again.
