“ *Jerri and family. So sorry for your loss. He was a great guy. Kinda lost contact on the last 50 years, but anytime I ran into him, it was like we had just seen each other recently. So funny. Peggy was just telling me a story of when he went to Livingston to school, of some kids making snide remarks and he told them to stop. He was her hero after that. Mom loved to visit with him, had her laughing right away. May God's blessings be with you and your family in the days ahead.*
