“ I just found out that my Uncle Earl had passed away. He was one of the kindest people I have ever known. He had a great sense of humor and was always ready to try anything. He was loving and gave from his heart without asking for anything in return. He was always there for me and my life was better because he was in it. Thanks for the laughs and memories you have given me. I will miss you so much and I think of you often. Love always, your niece Lisa Turner.
