“ I hung out with her when I was in Kentucky. She came back and spent the night at gram on grandpa's with me on more than one occasion. I remember 1 summer where we were practicing walking on the stones in the driveway barefoot. I will get on her shoulders and she would walk the length of it and then we would switch. She would always win because she was so used to going around bare feet. Sending prayers and hugs to the family. She will surely be missed.

“ I am so sorry for your loss she was an amazing cousin and friend and I'm so disappointed that my sister's and I didn't go to see all the cousin's the last couple of years at the Root reunions since dad's passing.

I have so many memories of us playing on the farm together she was my bestie cousin when we were small anytime we went to KY I couldn't wait to go to the farm and see her as I got older I would take dad (Archie Root Jr) to the farm and pull in the driveway and here she would come to see who came to visit. I had a nice visit when the Root cousins in London put on the dinner for uncle Amons funeral I'm so glad we had that time together. I will lift the family up in prayer for comfort at this most difficult time. I love you all Tina (Root) Shelton
