“ I really got to know Velma when at Christmas time I would take a food basket to her from the Disable American Veterans group. She always loved to have company and always had a big smile on her face.

I will never forget her smile and goodness she showed others.

Sandra and I loved her so much, she will be miss but not forgotten.

COVID may have separated us but she is a rest with Sandra and family with our Lord and Savior, Jesus Christ.

Sincerely, Danny Yaden

“ I had the honor and privilege to meet and care for miss Velma. There are no words to write that can say how special she was to me and everyone that knew her. Prayers to the family for she will be missed here, but smile with the knowledge we will see her again.

“ *Velma was a special lady whom I loved very much. There were a lot of memories over the years but they all go back to her beautiful bright eyes and her smile. Velma never said an unkind word about anyone or anything. She always talked about her family and times growing up. She appreciated life and loved the Lord with all her might. Covid limited the time I got to spend with her but I thought of her a lot. So long for a little while Velma but I will see you again friend! Love you!* ”
