“ I always loved this woman. She has always been very kind to me, with a fantastic sense of humor. She was very no nonsense and wise. Absolutely loves her family. My only regret is I had not had the pleasure of seeing her in such a long time. But I will always cherish the memories of the many times I had the good fortune to be in her presence. She is the most honest, kind, and genuine person I have had the good fortune to grace my life.
Love you Venice.
