My baby sister, I can hardly believe you are gone. You were the only one who called me "Sissy". You were the wild and crazy "Aunt Ca" to my kids. There will never be another Veronica. You were one of a kind. I wish that things could have turned out differently. Your baby boy will always be taken care of and loved. Rest high on that mountain and wait for us there. I love you sis.

My dear friend you will never be forgotten. You are loved and will be forever missed. We had so many more adventures left to do. I cannot believe you are gone. I know you will never be sick or in pain again. May God wrap you in love. I know I will see you again. So I won't say goodbye. I'll just say I love you and I will see you soon.
Love,
Julie

“ *Veronica, you were the best momma ever to Jackson. I wish this was all just a bad dream. You had your faith and love of our Lord, and I pray his comfort over each and every member of your precious family and friends. You touched my heart, and for that and your friendship, I will always love you.*
