“ I am so sorry to hear about Victor, he was like family to us. We have been neighbors for a little over 29 years. They have always been the best and very special to me. We are going to miss him. I often would think what was it going to be like if he didn't get to come back home for the summer. Everytime I pulled out of our driveway I would watch to see if I seen him outside on his porch. As time had passed with medical issues I wasn't able to visit like I use to but if they ever needed us I would have crawled. Victor was a man that had few words but his eyes told a lot. When he was happy his eyes would light up. He loved being out trying to do things that interested him even though he would wait until his wife was not home. Victor was a hard worker when he was able to work. He loved having his friends that farmed around him and his neighbors. He loved his wife and family. I have a lot of good memories of Victor and will always hold those memories close. He will be missed so much. We are going to continue to pray for his precious wife and kids, grands and friends. This has been a rough year for them. I pray that God will cover them with his love. Rest in peace my friend.

“ So sorry for all the family. Always remember us going and playing together when we were young and managing to accidentally sitting a field on fire right next to national forest while we were playing with firecrackers. He was a wonderful cousin that we were just months apart. He will be greatly missed. Because of multiple doctor appointments me, my sister and wife have we cannot attend but you are in our prayers.
