“ To a beautiful lady I got to know over the past few months. Loved sitting and talking with her one on one, she gave great advice and was just a joy to listen to the stories she had to tell she will be missed by each one of us in our own way. One thing about her if she liked you ,you were her friend if she didn't like you, you wouldn't know it she treated everyone the same. Such a beautiful lady inside and out! Thank you Virginia for being my friend in a world that makes you feel so alone at times!

Thank you to her family for allowing us to share a part of her life with us all.
