“ There are so many wonderful memories to share!
*Bobbing for apples with Gale, Susie and my brother Mike and hearing Wanda laughing!
* Her carrying pales of warm water to fill up a kiddie swimming pool. Her telling all of us we could get in. Then she carried out one more and surprised us all by throwing it onto us! LOL :-D
* Wanda sparing me from working for my cantankerous dad so that I could go play with her kids. I think she also talked my dad out of a few whippings he had in store for me.
* Her kindness and her beauty!!!!!!!!!!
* Always holding a little Chihuahua covered in a baby blanket. I <3 the memories I have of her and her family! You all truly made my life back then a much better place!!! I wish you could have known that!
My love and prayers to Gale and Susie! May God's love embrace and comfort you both!
