“ Gerry, Shirley and all the family so sorry to hear about Wanda. She was the best friend anyone could ever have. Gerry and Shirley the reason I address you by name, the two of you are the ones who remember me. I worked with Wanda & Lettie at Belk's in London. Wanda and I became very close friends. We have recently moved to Berea, Ky. Would have gone to funeral but my husband was not well I needed to take him to Dr. I would love to hear from some of the family, if some one will e-mail me. My prayers are with all of you.

“ Terry and family, I am very sorry for your loss. I worked with Mamaw for ten years at Westinghouse and there was never a dull moment. She loved her music and I remember when Tim McGraw's song, Indian Outlaw, would play on the radio, she would get such a kick out of that song. She loved her boys from Exile and was so proud of Les Taylor being from Bush. Those are just some of the good memories I have of Wanda. May she rest in peace.
