“ *I was shocked to learn about Bill's passing. We worked together several years and depended on each other daily to get the done. I know he loved his family and shared photos and stories of them often. I know he will be greatly missed. My husband is ill and I cannot leave him alone to come to the service but you are in my thoughts and prayers. You have my deepest sympathies. Carolyn Burton*

“ I remember the first time I met Bill...what a nice guy! He was always kind to everyone....and had such a wonderful wry sense of humor. He served our country, came home to his 'roots' and fell in love with my wonderful cousin, Linda.....Linda and Bill shared many things, love of history, love of country, love of little ones.....What a wonderful kind soul he was....Our family was so fortunate to have him in our lives...We will miss him terribly, but we will have good memories of him, and enjoy those memories in times to come...

Though brought together by blood (cousin) and departed by our God. It eases my pain along with Karen's but the peace you now have with our Lord. It is sad that distance had kept our families all apart, God blessed us with your presence in our family and I am glad that I was given the opportunity to get to see you. Though the visits was short, memories of what few times we did get to see together I got to and continue to carry out my lifetime. Prayers out to Karen and the rest and all others are left behind from all this. I am sure it will be hard on all of us, but the peace if any will come from within us knowing you are at peace now. I love you and will miss you
