“ Hi Jolene,
This gave me an option to share with you my feelings, so I took it. I am so so sorry for the loss of your dad. I'm sorry I never got to meet him, but feel like I know him so well from everything Paul has shared about him. I still remember how we talked about how he and my mom would have had a lot of fun together. Maybe now they can both have fun together in a much better place. God bless you and your family now in your time of need for comfort. Love, Donna
