“ I am so sad to have heard of Michael's passing. I remember as a child spending the night at there house and also him coming with all his TV repair kits to fix out television way back in the 60's and 70's. Michael your a great painter and I'm so happy to have a few of your works of art. God blessed you that way!! One other note: thank you Michael for coming to pray and be with my father Golden Smith and your precious nephew whom I know you loved before he died. May all who passed before be there to greet you at heavens gate. Oh don't forget I'm coming to, be there for me and tell Grandma and Dad I miss them. Peace and Love to all, and may god take care of you all during this hard time.
