“ *So saddened to hear of the passing of Bill. He was a very dear friend to me in the 80's before I left London. I will always remember his kind spirit and his love for everyone. I'm sorry that we never got to meet again on this side of heaven. I know he will be waiting. Rest in peace, Bill. You have been, are and will be missed.*

“ To Nancy and the kids we would like to say that we wish we could be with you. We are in spirit. We were very close to Bill when we lived in Ohio. We always enjoyed the times that he spent with us. I still remember his excitement when we went to a Reds game. Bill turned out to be a very fine man. He was an honor to your family. We will miss him. God bless all of you and may God enjoy Bill's presence in Heaven. Love to all.

“ Bill was a wonderful friend. He and I were good friends for many years. Now he has gone to be with the Lord. He was always kind, He was geat with kids, and kind to strangers. He was the type of man who would give to a stranger in need the shirt off of his back. But he never asked for anything in return. He was a true sports lover. There was never a time at his residence that I saw him not watching pro or college sports on his big screen television. The Wildcats have lost a great fan. And I have lost a great friend. GS

“ I worked with Bill in Canton, GA for 8 before moving back to Knoxville. Bill was always at church, helping with maintenance and housekeeping. We developed a close friendship and am very sad to hear of his passing. I will never forget his kindness and respect that he showed everyone he met. Now he is with Jesus and loved ones.
