“ Jimmy and all- Miss Wilma opened her arms (and Jimmy too) to us when we moved in across the street in FL and we loved her so very much. She was always trying to fatten us up with her great cooking and always had a hug and a story for us and everyone! We are so proud to have had her as a friend and confidant. It just won't be the same...we send our deepest condolences to the entire family. She was so proud of all of you!

“ What a precious gal Wilma Dean was. I loved her the first Depew Reunion I went to. She was faithful for years to call Hank, my husband, who was a first cousin each year to invite us. The whole family is precious and Wilma will be sorely missed. I will be praying for the family.

Love you all.....Pat
