“ I am so, so sorry for your loss. May God comfort you through this most difficult time. I had Zack as an elementary student and I am so saddened by his passing. I could never forget those eyes and that smile! I don't know how many times I helped him to clean up around his desk!

“ I have just found out about your loss. My heart and prayers are with you. He was a wonderful young man who I enjoyed knowing very much. Watching him grow up through the years at Levi Jackson swimming pool and at the Vocational School. I was very proud of him! My heart is aching for the family as I love them very much! In my heart.
